ARTIFICIAL PLANT

SONGTAO Artificial Trees are combine arts crafts and original arboreal sculpture from our founders. Life-size and true to scale, each tree perfectly “captures” the nuances of silhouette, trunk, branch, bark and limb structure.

SONGTAO have been specified for artificial tree more than 22years, successfully executed and completed for a worldwide audience project. Specialize production artificial tree/artificial plants/artificial flowers/green wall/rockery/sculpture etc.,we own our three factory and have more then 2000items designs in our showroom.

Feel free to contact me for additional information. Thank you in advance for reviewing this material. We look forward to hearing from you in the near future.
